Dear Mr. Herberger:

I am writing to you to express my appreciation for the work performed by your carpentry subcontractor, BuildEx Construction Company, on the recently completed window replacement project for the Lee Housing Authority. Congratulations to Mike Krasnov and his crew! Not only was the quality of their work outstanding, but I received many comments from the residents about how hard working and polite they were. All of the residents are completely satisfied with their new windows and with the work performed. I would not hesitate to recommend BuildEx for other projects and I look forward to working with BuildEx and R.A.C. Builders again.

Sincerely,

Robert B. Macintosh
President
